

Pre-Treatment Checklist

Below is a check list of ideas to help you prepare for your treatment time.

Light Cleaning, uncluttering. The less cluttered the more effective the treatment
Find a place for your pets outside the home for 6-8 hours
Find a place for your plants either outside or warm building
Have something to do for 6-8 hours while treatment is taking place
Think of how the bed bugs may have entered your home, vehicle, friend, etc. We may have to treat your vehicles as well.
Arrange for children to be at a babysitter or friends house if not with yourselves.
Create a list of concerns you may have to ask us prior to treatment.
